INT. SCHS- JUNIOR LOCKERS

Ariana limps to her locker. We see VINCE at his locker. He pulls out a few books and his camera.

VINCE

Yes, queen. I love that fit but not that limp. What happened?

ARIANA

I ran into the wall. Right in front of Elijah.

VINCE

No. Not "potential bae Elijah Andrews." I was right there. How did I miss that?

ARIANA

Him and all the football team.

VINCE

(Gasp)

No. That's awful.

ARIANA

Yep.

VINCE

Well, hopefully the result will make it all worth it. Madam President.

ARIANA

Don't jinx it. Is it time yet?

VINCE

The morning announcement should be starting right about- now.

The school bell rings and students begin to disperse. A jingle begins to come over the PA system.

Ariana and Vince walk down the hallway. Vince carries a camera around his neck. Ariana carries her books to her chest.

TORY (O.C.)
I'm sure it will be a wonderful
time to watch a weird spider sing
and dance.

Both announcers laugh. Vince and Ariana roll their eyes. The announcement continue in the background but are unheard.

VINCE

People have no respect for the theatre.

ARIANA

Are you nervous?
